MOTION: Approve a resolution authorizing approval of proposed Texas Statewide Opioid Settlement Agreements

BE IT REMEMBERED, at a regular meeting of the Commissioners Court of Travis County, Texas, held on the 18th day of July, 2023, the following Resolution was adopted:

WHEREAS, Travis County obtained information indicating that certain drug companies and their corporate affiliates, parents, subsidiaries, and such other defendants as may be added to the litigation (collectively, "Defendants") have engaged in fraudulent and/or reckless marketing and/or distribution of opioids that have resulted in addictions and overdoses; and

WHEREAS, these actions, conduct and misconduct have resulted in significant financial costs in the past to the County and will undoubtedly result in significant financial costs in the future; and

WHEREAS, the County brought or has investigated claims against Walgreens Co., ("Walgreens Defendants"), CVS Health Corporation and CVS Pharmacy, Inc ("CVS Defendants"), and Walmart, Inc. ("Walmart Defendants"), and certain other defendants related to potentially released claims; and (2) other defendants in the opioid supply chain on behalf of the County in *In Re: Texas Opioid Litigation*, MDL No. 2018-63587, currently pending in the 152nd District Court of Harris County, Texas and/or removed pending remand; and

WHEREAS, the Walgreens Defendants, the CVS Defendants, the Walmart Defendants, the State of Texas, and a negotiation group for Texas political subdivisions entered into an Agreement entitled Walgreens Texas Settlement Agreement and Release, CVS Texas Settlement Agreement and Release, and Walmart Texas Settlement Agreement and Release (hereinafter collectively the “Texas Agreement”); and

WHEREAS, Special Counsel recommends that the Travis County Commissioners Court support the adoption and approval of the Texas Agreement in its entirety; and

WHEREAS, even though the payments from the settlements reflect partial compensation to Travis County for the past damages it has suffered or the future damages it is likely to incur, given the risks of litigation, the fact that it is to the benefit the County and its residents, and that it reduces the risks associated with protracted litigation;

NOW, THEREFORE, BE IT RESOLVED that we, the Commissioners Court of Travis County:

- Support the adoption and approval the Texas Agreement; and,
- Finds as follows:
 - There is a substantial need for repayment of past opioid-related expenditures and payment to help abate current and future opioid-related harms in and about Travis County, Texas; and
 - The County Commissioners Court supports in its entirety the Texas Agreement. The County Commissioners Court understands that the purpose of each Settlement is to effectuate resolution of the Opioid Litigation against the Walgreens Defendants, CVS Defendants and Walmart Defendants. We also understand that an additional purpose is to ensure the effective means of distributing any potential settlement funds obtained under settlements in Texas and under the jurisdiction of Texas Courts in a manner and means that would promote an effective and meaningful use of the funds in abating the opioid epidemic in this County and throughout Texas.

The County hereby approves and accepts the Texas Agreement as set forth herein.
